Questions

- What is your favourite line in the song?
- What is the main theme of the song?
- In this song, Dan tells us that God is with us wherever we go and will never leave our side. Can you think of a time when you felt alone? You are never alone, even in those moments, because God is always with you! The Bible says in Romans 8:39 that “neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.” Whether we are at camp, at home, or anywhere in the world, God loves us so much and is right there with us, no matter what!
